

AMERICANS FOR SAFE ACCESS

# RAID PREPAREDNESS TRAINING AND STAKEHOLDERS' MEETING

**THURSDAY, SEPT 1**

Join Steph Sherer, Executive Director of Americans for Safe Access, for an afternoon Raid Preparedness training and a community stakeholders' meeting in LA JOLLA.

In light of the recent federal activity against medical cannabis communities across the country, now more than ever, we must join together to prepare our community for the next steps we will take to protect safe access in California.

Learn to protect your rights and the rights of others in the event you are targeted in a raid, and participate in creating a strategy that will secure safe access!

This is a **FREE** event open to the entire community.
