Advancing Legal Medical Marijuana Therapeutics and Research

Petition Alaska Senators Murkowski and Stevens: **Support Medical Marijuana Research Now!**

To Hon. Lisa Murkowski and Hon. Ted Stevens:

As your constituents living in a state that sanctions medical marijuana use to treat symptoms caused by terminal or chronic illness, we the undersigned are asking you to support medical marijuana research by co-signing the Kennedy/Kerry letter to Acting DEA Administrator, Michele Leonhart, urging her agency to follow the recommendation of Administrative Law Judge Mary Ellen Bittner and grant a license to Prof. Lyle Craker of UMass Amherst to grow marijuana exclusively for federally-approved research.
