

Petition New York Senators Clinton and Schumer: **Support Medical Marijuana Research Now!**

To Hon. Hillary R. Clinton and Hon. Charles E. Schumer, Member of the Senate Judiciary Committee:

As your constituents, we the undersigned are asking you to support medical marijuana research by co-signing the Kennedy/Kerry letter to Acting DEA Administrator, Michele Leonhart, urging her agency to follow the recommendation of Administrative Law Judge Mary Ellen Bittner and grant a license to Prof. Lyle Craker of UMass Amherst to grow marijuana exclusively for federally-approved research.
