

ORDINANCE No. 2005-19

An Ordinance of the City Council
of the City of Visalia Adopting Regulations Regarding
Medical Marijuana Dispensaries, the Cultivation and Processing of
Medical Marijuana and the Public Use/Consumption of Medical Marijuana

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF VISALIA:

SECTION 1: PURPOSE

The purpose of this Ordinance is

- A. To amend Title 5 of the City of Visalia Municipal Code pertaining to Business Regulations by adding Chapter 5.66 and creating regulations regarding the operation of “Medical Marijuana Dispensaries” within the City of Visalia;
- B. To amend Title 8 of the City of Visalia Municipal Code pertaining to Health and Safety by adding Chapter 8.64 and creating regulations regarding the “Public Use and Consumption of Medical Marijuana”; and
- C. To amend Title 17 of the City of Visalia Municipal Code pertaining to Zoning by adding Chapter 17.64 and restricting the location of Medical Marijuana Businesses.

SECTION 2: FINDINGS

- A. The voters of the State of California approved proposition 215 (codified as California Health and Safety Code section 11362.5, et seq. and entitled “The Compassionate Use Act of 1996”).
- B. The intent of Proposition 215 was to enable seriously ill Californians to obtain and use marijuana for medical purposes, where that medical use is deemed appropriate and has been recommended by a physician, without fear of criminal prosecution under limited, specified circumstances.
- C. In 2004, the State Legislature enacted SB 420 to clarify the scope of the Compassionate Use Act of 1996 to allow cities and other government bodies to adopt and enforce rules and regulations consistent with SB 420.
- D. In June 2005, the United States Supreme Court issued a decision entitled Gonzales v. Raich (2005) 545 U.S. ____ wherein it determined the cultivation and use of marijuana in compliance with California law is a violation of federal law, and may be prosecuted under federal law.
- E. The City of Visalia has identified a number of health, safety, and welfare concerns associated with dispensaries, the cultivation, processing, and public use/consumption of medicinal marijuana. These adverse impacts require careful consideration and regulation of the location and manner in which the uses are to operate so as to prevent impacts on nearby residents, businesses and the community at large.
- F. The City of Visalia neither condones nor condemns the use of marijuana, but finds it important to ensure that the adverse impacts from the medical use of marijuana are minimized in the City of Visalia.

G. The City of Visalia has received inquiries from prospective operators for the establishment of various related businesses, such as a medical marijuana dispensary, a co-operative cultivation operation and related processing center. Currently, the City of Visalia has no rules or regulations governing medical marijuana or dispensaries of medical marijuana.

H. To protect the public health, safety, and welfare, it is the desire of the City Council to modify the municipal code consistent with and complimentary to The Compassionate Use Act of 1996 and SB 420.

I. The City Council acknowledges the federal government and its law enforcement and prosecuting agents have jurisdiction to enforce the Controlled Substances Act, 21 U.S.C. Section 841, within the city limits of the City of Visalia. It is the City Council's intention that nothing in this ordinance shall be deemed to prevent federal prosecution of violations of the Controlled Substances Act within the City of Visalia.

J. It is the City Council's intention that nothing in this ordinance shall be construed to (1) allow persons to engage in conduct that endangers others or causes a public nuisance, (2) allow the use of marijuana for non-medical purposes, or (3) allow any activity relating to the cultivation, distribution, or consumption of marijuana that is otherwise illegal.

K. The City Council desires to adopt reasonable time, place and manner regulations that address the adverse secondary effects of medical marijuana dispensaries, the cultivation and processing thereof and the public use/consumption of marijuana for medical purposes. This Ordinance both complies with applicable state law, as well as imposes reasonable restrictive rules and regulations protecting the public health, safety, and welfare of the residents and businesses within the City of Visalia.

L. The locational requirements established by this ordinance do not unreasonably restrict the establishment or operation of a medical marijuana dispensary in the City of Visalia, and the application of this ordinances results in a reasonable number of appropriate locations for such dispensaries.

M. The City Council of the City of Visalia also finds that locational criteria alone do not adequately protect the health, safety, and general welfare of the citizens of the City of Visalia. Thus, certain requirements with respect to the ownership and operation of medical marijuana dispensaries, cultivation and processing of medical marijuana, and the public use/consumption of marijuana for medical purposes are in the public interest.

SECTION 3. CALIFORNIA ENVIRONMENTAL QUALITY ACT FINDING

This ordinance is hereby found to be categorically exempt from environmental review pursuant to CEQA Guidelines section 15061(b)(3). The City Council finds that the adoption of this ordinance does not have the potential for causing a significant adverse effect on the environment.

SECTION 4. SEVERABILITY

If any section, subsection, subdivision, paragraph, sentence, clause, or phrase in this chapter or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this chapter or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase thereof

irrespective of the fact than any one (1) or more subsections, subdivisions, paragraphs, sentences, clauses, or phrases be declared unconstitutional, or invalid, or ineffective.

SECTION 5. AMENDMENT OF VISALIA MUNICIPAL CODE

The amendments to Title 5, Title 8 and Title 17 of the Visalia Municipal Code, which are described in the attached Exhibit A incorporated herein and made a part hereof, are hereby adopted as ordinances of the City of Visalia.

SECTION 6. EFFECTIVE DATE

This ordinance shall go into effect and be in full force and operation from and after thirty (30) days after its final passage and adoption.

SECTION 7. PUBLICATION

At least two (2) days prior to its final adoption, copies of this ordinance shall be posted in at least three (3) prominent and distinct locations in the City. In addition, a notice shall be published once in the Visalia Times-Delta, setting forth the title of this ordinance, the date of its introduction and the places where this ordinance is posted.

MEDICAL MARIJUANA BUSINESSES

Section 17.64.010 Purpose and Intent

It is the purpose and intent of this Chapter to promote the health, safety, and general welfare of the residents and businesses within the City by regulating the location and manner of development of medical marijuana businesses. It is not the intent nor effect of this ordinance to restrict or deny qualified patients access to marijuana for medical purpose as intended by the passage of the Compassionate Use Act of 1996 and SB 420 in 2004. Neither is it the intent nor effect of this ordinance to condone or legitimize the use of marijuana.

It is the intent of this Chapter to prevent community wide secondary adverse impacts which can be brought about by the concentration of medical marijuana businesses in close proximity to each other or proximity to other incompatible uses, such as schools for minors, day care facilities, churches, parks, youth recreational facilities and residentially zoned districts or uses. It is, therefore, the purpose of this Chapter to establish reasonable and uniform regulations to prevent the concentration of medical marijuana businesses or their close proximity to other incompatible uses, while allowing for the location of medical marijuana businesses in certain areas and in compliance with California's Compassionate Use Act of 1996 and passage of S.B. 240 in 2004.
